You do not need to bring anything along – just your favourite sewing machine or use ours - as everything is included for you to complete your ‘samples’ & assessment pieces.

After each day here, you will take home notes, manuals & your relevant sample. You will then have the notes to refer to, along with your sample to recap on, to enable you to make your replica piece at home, at your leisure. You will then bring it along to a later session for assessment when completed at home, which will then go towards your final certificate of your Soft Furnishings achievements at Sewing Tuition.

There will be opportunities to learn other techniques that will assist you with your journey whilst attending. Session times are 10am to 3pm for your small group, ‘one on one’ tuition.

We aim to help you achieve your goals, supporting you in-between your days in our workroom.

“If you can’t do it alone – let’s do it together”
