

Sewing Machines recommended by Sue Hazell (Cert. Ed) PCE – Director of Sewing

Bring your NEW machine to sewing-tuition.co.uk workshops for more tips 😊

Sewing Machines - ALWAYS choose a sewing machine where the stitch length & width can be changed independently – 2 separate dials/screens – this will give you so many more opportunities for sewing skills.

- Janome GD8100 – excellent machine for Beginners – ideal for lighter weight sewing - crafts, dressmaking, cushions – 100 built in stitches - from £299.00
- Janome 2030DC – Next model up with hard cover & easy controls & features for more sewing skills – from £299.00 – **BEST MID-RANGE BUY**
- Janome 1600P QC – excellent machine for those wanting to invest for heavier sewing - suitable for cushions, curtains & loose covers – from £899.00

Embroidery Machines – these below are embroidery only:

- Brother F440E – Embroidery only – excellent machine from £899.00
- Brother Innov-is V3 – superb larger hoop, embroidery only – **you can try this machine here** & use our designs to make samples before you go & buy one - from £1,999.00
- **Overlockers** - Brother 1034D - around £199.00 – **try ours before buying one**

Where to buy* - from an independent shop - easy to call upon if you need help. We do not sell machines or receive commission, but are happy to know you will have a good deal!

- **BROTHER, JANOME, BERNINA, JUKI & GLOBAL – GTS, Queensway, Banbury, Oxfordshire. OX16 9PQ. Gary & Ruth on 01295 701 384**
- **BROTHER, JANOME & BERNINA** – Home Counties Sewing Machines, 170 Totteridge Road, High Wycombe, Bucks, HP13 7LB. Martin & Pauline on 01494 440 647
